Good afternoon,

Is OAR planning to provide comments on TCEQ's Ethylene Oxide Development Support Document?

Kind regards,

Good morning,

I'm sure you all have seen this, but it did take me some digging on TCEQ's website, so I thought I'd send it your way just in case. TCEQ has opened their public comment period (ending August 12) for Ethylene Oxide Development Support Documents (DSDs) for Effects Screening Levels (ESLs) and Air Monitoring Comparison Values (AMCVs) at https://www.tceq.texas.gov/toxicology/dsd/dsds_about

Kind regards,
